45 STUDIES

for the Harp

SEGNI CONVENZIONALI

V. significa: staccare la mano.
---------- per il pedale indica la durata del tempo il cui piede deve mantenere il pedale. Per es.: *Si* ♮----------♭.
Durante questa tratteggiatura, il piede sinistro dovrà tenere il pedale al suono naturale, senza fissarlo, per trovarsi pronto a rimetterlo al bemolle, evitando così un inutile movimento del piede.

SIGNES CONVENTIONNELS

V. *signifie: détacher la main.*
---------- *pour la pédale ce pointillé indique le temps pendant lequel le pied doit tenir la pédale. Par ex.:* Si ♮----------♭.
Pendant la durée de ce signe le pied gauche devra tenir la pédale sans la fixer au son naturel afin d'être prêt à la remettre au bémol et éviter de la sorte un mouvement inutile.

CONVENTIONAL SIGNS

V. signifies: raise the hand.
---------- for the pedal these marks indicate the time during which the right foot should press the pedal. For ex.: *B* ♮----------♭.
During this indication the left foot should hold the pedal without keeping it to the natural sound so as to be ready to put it back on the flat, and so avoid a uselles motion of the foot.

(N. 1. dell'Op. 26)
